

SPOTLIGHT STAGING & DESIGN

Staged. Shot. Sold.

Minimize the stress of selling by making sure your home shows to its full potential BEFORE you hit the market. We specialize in styling and furnishing homes so that they appeal to a full range of prospective buyers. No matter the size of the project, we are here to help with a quick and prosperous sale!

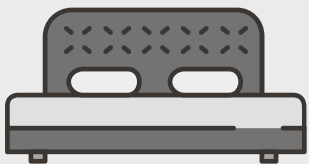

Why Should I Have My **PROPERTY STAGED?**

Professional home staging has become a necessity in today's competitive market. It truly is a price war and a beauty contest. A property that is effectively styled and furnished will stand out against the competition. Staging helps buyers to visualize a homes potential and how to utilize the spaces.

"83% of buyers' agents say that staging makes it easier for buyers to visualize the property as their future home" - Real Estate Staging Association
